Sample Policy Document - Test PDF

1. INTRODUCTION

This is a test policy document created for demonstration purposes. It serves to verify that the PDF viewer functionality works correctly with properly formatted PDF files.

2. PURPOSE AND SCOPE

This document contains multiple paragraphs and sections to test the PDF viewer functionality. It includes proper formatting and structure that should display correctly in the react-pdf viewer component.

3. TEST SECTIONS

3.1 Navigation Testing - This document should allow page navigation if it spans multiple pages.

3.2 Zoom Testing - Users should be able to zoom in and out of this document.

3.3 Print Testing - This document should be printable from the browser.

4. CONTENT VERIFICATION

This section verifies that the PDF viewer can properly display formatted text, including:

• Bullet points and lists

• Different text formatting styles

• Proper spacing and layout

• Section headings and numbering

5. ADDITIONAL CONTENT FOR PAGE TESTING

Adding more content to ensure we have enough text for testing purposes. This helps verify that the PDF viewer handles longer documents appropriately.
